

# Application to Become a CHAMP Mentor

Date \_\_\_\_\_

Name & Title: \_\_\_\_\_

Address: \_\_\_\_\_

\_\_\_\_\_

Phone: \_\_\_\_\_ Email: \_\_\_\_\_

1. Mentors are required to be physicians, nurse practitioners, or physician assistants with 5 years of broad-based pediatric experience and a minimum of 50% of full-time professional activity (averaging 20 hours a week) spent in the practice of child abuse pediatrics.

How many years experience do you have in child abuse pediatrics? \_\_\_\_\_

2. The number of sexual abuse cases evaluated must be of a volume sufficient to keep skills current and to provide teaching opportunities. (Approximately 200 cases each year at an expected rate of 4 cases per week)

How many cases per year do you see? \_\_\_\_\_

Do you usually have at least 4 cases per week?  Yes  No

3. Child sexual abuse evaluations should take place in an appropriate facility with an established child-friendly model of care.

Briefly describe your facility and model of care. \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Does each session include 2 to 3 patient appointments for optimal mentorship learning opportunity?  Yes  No

4. Mentors must have the ability to photodocument each case.

Do you have the ability to photodocument each case?  Yes  No

5. Mentors must be currently active in a minimum of 2 and preferably 3 of the following professional activities. **Indicate which ones you are currently active in.**

- Member of Helper Society
- Affiliated with a teaching hospital
- Member of a multidisciplinary team

- Accumulated category 1 AMA PRA CME credits or the equivalent on the topic of child abuse (6 credits within the past 2 years)  
Activity\_\_\_\_\_
- Number of credits\_\_\_\_\_ Year earned\_\_\_\_\_
- Published in a scholarly journal or professional publication on a child sexual abuse topic within the past 2 years  
Title/Publication/Date\_\_\_\_\_
- \_\_\_\_\_
